Total Due at Execution of the Lease	

PLEASE NOTE:

- **Dock on the Bay Association, Inc. must be listed as an “Additional Insured” on the boat insurance policy and proof must be provided BEFORE docking at the marina. The minimum liability coverage amount is \$300,000.**
- All parties listed on the boat registration and/or CG Documentation **MUST** sign the contract.
- A copy of the current State Registration and/or CG Documentation is required.
- A valid copy of the Driver’s License of all parties listed on the boat registration and/or CG documentation is required.
- On the date of Lease signing, please bring **ALL** the necessary documents. If you do not, this will delay the Lease process. Please come prepared with **ALL** your documents to process the Lease.
- If documentation is not present or invalid, a Lease will not be completed, and the vessel may not dock at the marina. The slip renter must come back to finish the contract process when all documents are in order.
- The overall length of the vessel may be verified and measured by the Dock Master. The overall length of the vessel shall include the length on deck which may include any bowsprits, anchor rollers and anchors, davits, outboard motors, swim platforms, other fittings, attachments and extensions, etc. This verified overall length measurement will determine the length used in the calculation of the slip rental.
- All slip rental payments will be automatically charged to a credit card or automatically deducted from your checking account directly via Automated Clearing House (ACH) from your U.S. financial institution account.
